

ARC is independently certified by ACRS for rebar processing and the manufacture of wire and mesh, to the relevant standards of AS/NZS 3679.1, AS/NZS 4671 and AS/NZS 4672 for use in the construction industry

ACRS certification is confirmation from an independent authority that our facilities have demonstrated capability to manufacture the products to the relevant Australian Standards and does so consistently.

All products supplied by ARC that are covered by an ACRS Certificate are included in the 2022 Compendium of ACRS Certificates.

2022 ACRS CERTIFICATION

ARC - The Australian Reinforcing Company

The Australian Reinforcing Company (ARC) is a leading manufacturer and supplier of steel reinforcing in Australia.

2022

VALID TO 31 DEC

PRODUCT CERTIFICATION
www.steelcertification.com

Australasian Certification Authority
for Reinforcing and Structural Steels Ltd

CERTIFICATE OF PRODUCT PERFORMANCE

Certificate Number: 190201

THE AUSTRALIAN REINFORCING COMPANY
MARYLAND, NSW, AUSTRALIA

has satisfied the Authority that it complies with the rules of the ACRS Product Certification Scheme, and the relevant ACRS Quality and Operations Assessment Procedures. Where appropriate, and as listed below, it has further satisfied the Authority that it manufactures and/or supplies products that conform with the standards listed below, and is entitled to use the ACRS mark in relation to the products listed on this certificate.

Scope of Certification

Processing and distribution of carbon steel bars, welded mesh.

- a) Processing and distribution of carbon steel bars and welded mesh in accordance with AS/NZS 4671: 2001, and either AS 3600: 2018 Concrete structures and AS 5100.5: 2017 Bridge design – Concrete “material and construction requirements for reinforcing steel”, or the “Reinforcement” clauses of NZS 3109 Concrete Construction.

Processed steel reinforcing materials may only be relied upon as having the benefit of ACRS Product Scheme certification when manufactured by ACRS certified mills. Please refer to the manufacturer’s ACRS certificates for details.

Full details of the products for which certification has been achieved should be viewed at: www.steelcertification.com
